

Dear Students,

I hope this email finds you well. On behalf of **Maker Bhavan Foundation**, I am excited to announce the opening of applications for **[Invention Factory® 2024](#)** – a prestigious 6-week summer program dedicated to the art of inventing.

Originating in the U.S. and making its mark in India since 2018, Invention Factory® is set to run simultaneously at three esteemed institutions this summer – **IIT Bombay, IIT Gandhinagar, and IIT Jammu**. This year, we're thrilled to open the competition to students from all **IITs, NITs, BITS, private colleges, and design schools**.

Each location will host ten teams tasked with conceiving, prototyping, and pitching their inventions. Not only will participants have the chance to compete for substantial prizes, including **Rs 200,000** for the Best Invention, but they will also receive a stipend of **Rs. 10,000**, along with **food and lodging**.

Prizes:

Best Invention: **Rs 2 Lakh**

Second Best Invention: **Rs 1 Lakh**

Third Best Invention: **Rs 50,000**

For more information about the program, please visit - **[link](#)**. **To apply**, interested students can fill out the application form **available at - [link](#)**.

As we continue to review applications and prepare for the upcoming program, we understand that you may have questions about the application process or the program journey itself. To address any queries, you may have and provide further insights into the program, we are excited to announce an upcoming **Online Open House** event.

Online Open House Event Details:

Date: 6th March 2024

Time: 7:00 Pm **Platform:** Zoom

Guest Speakers: Professors Alan Wolf and Eric Lima, along with past participants

Registration Link : **[Link](#)**

Agenda: Demystifying the application process, sharing program experiences, and answering participant questions.

Please find attached a poster providing further details about the program.

We look forward to welcoming enthusiastic students like you to the Invention Factory® 2024 program and the Open House event. Feel free to share this information with your friends and peers who might also be interested in joining the Invention Factory program. Thank you in advance for your support and assistance in spreading the word.

Warm regards,

Chirag Satpathy
